

1 The First Section

Lemma 1. *The first lemma of our paper.*

Lemma 7. *A second lemma. Note the numbering!*

Definition 1.1. A definition of some terms.

Theorem 1.2. *This theorem kicks things off.*

Corollary 1.3. *A corollary comes after the theorem, for the most part.*

Corollary 1.7. *Another corollary, but the number is bigger here too.*

Note 1. Here I have a note. How did I do this? Pay attention to the style.
