

# A Very Nice Paper

[Your Name]

January 11, 2012

## **Abstract**

The purpose of this abstract is to briefly explain what is coming in the contents of my fabulous paper. A good abstract should be concise and still informative. Some people find that the abstract is the most difficult part of a paper to write.

## **1 Introduction**

Here begins the introduction to my paper. (This paper has 1-inch margins all the way around.)

### **1.1 An Explanatory Note**

After the Introduction, we have here an explanation.

### **A Further Note**

This subsection is more subtle because of the lack of subsection numbering!
